- c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
- d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
- e) The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;
- f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.

Check your equipment and clothing for living organisms. Pay particular attention to areas that are damp or hard to inspect.

Clean and wash all equipment, footwear and clothes thoroughly, use hot water where possible. If you do come across any organisms, leave them at the water body where you found them. (Cleaning & washing must be done away from Rutland Water when visiting the Club)

Dry all equipment and clothing – some species can live for many days in moist conditions. Make sure you don't transfer water elsewhere.

Visiting boats will be randomly checked on arrival and if found to be in a condition that causes concern, will not be allowed to be brought on site. All sailors & rib drivers will be expected to sign a statement to confirm that they have Checked, Cleaned and Dried their boats before arriving at RSC. This will be normally included with the race entry form or the rib registration form that must be signed before racing starts.
